New Capital College at Glance

New Capital College is an English medium college, conceived and established by a group of scholars, experts and educationists aiming to meet the needs of intelligent students with the motto of “CENTRE OF EXCELLENCE” in 2057 B.S. Members of New Capital College management team possess a wide range of experience and vision suitable for the 21st century. With a large number of students attending classes every day and with sufficiently qualified and experienced teachers, NCC has made rapid strides of progress in the field of education and has emerged as one of the best and popular colleges in Chitwan for higher studies. It has Science, Management and Education stream under NEB and BBS affiliated to TU.

NCC is well equipped with all the facilities needed in higher studies to excel NEB Board Exams and University Exams. It has well equipped modern laboratories, computer labs, Hotel Management lab, library, seminar hall and hostel facilities under the supervision of senior teachers.

Its mission is to impart education that develops one's personality fully enabling him/her to play dynamic roles in society and academic circles. Students are encouraged to experience the world through their unique conceptual frameworks full of new possibilities. NCC inspires students to become successful leaders in various walks of life where their innovation leaves exemplary footsteps for the coming generation.

NCC provides an education leading to the harmonious development of the all-round personality of the student making one realistic and truly modern. The individuality of each student is nurtured and guided in a way which will make one a successful and loveable member of the modern society. As we demand discipline and hard work, each student modifies him/herself according to the academic ambience of NCC. We try to make our students self-disciplined so that they could learn with joy and pleasure.

Bhupendra Dhital
Principal

Mr. Bhupendra Dhital has been serving as the principal of NCC since 2006. As a keenly motivated academician, he always emphasizes on the latest trends of education. He has been successful to merge his thirty years of teaching experience and his responsibility of leading NCC to academic excellence.

Mr. Dhital has undergone many national and international professional development trainings. He has been awarded with "MASHAV" Ofri International (METC) - Israel. He is a master trainer, a full bright scholar, and a certified career counselor. Under his leadership, team Capital leaves no stone unturned to find the potential in every student.

Suresh Bhatta
Coordinator- Science

Mr. Bhatta, M.Sc. in mathematics from Tribhuvan University has completed his Masters in Distinction. He has also completed his M. Phil from T.U. As an academician, he has been in the teaching field since 2007. He has participated and presented different research papers in various international mathematics conferences. He has visited Germany as international academic researcher. Being academician & researcher, Mr. Bhatta's interest lies in Quantum Calculus.

Thakur Pd. Paneru
Vice Principal

Mr. Thakur Pd. Paneru is currently holding the office of Vice-Principal and has been working as an academician since 2051. He has wider experience of teaching in different educational institutions. As a lecturer he has demonstrated the capacity of working in the education management industry. He has been guiding the newcomers and academicians since 2050. Apart from actively working as a Lecturer he has been guiding the students for career opportunities. His extensive knowledge of English Language and Literature has inspired the students to step forward to achieve their goals.

Dr. Tara Prasad Dhungana
Academic Coordinator

Dr. Tara Prasad Dhungana is an academic researcher and practitioner who has completed his master's from Tribhuvan University and earn second master's in Chemistry from Tohoku University, Japan. He completed his Doctor of Philosophy in Chemistry, especially Organometallic Chemistry, Synthesis of Organometallic complex, Characterization and study catalytic activity from Tohoku University, Japan. He has rigorous 13 years of teaching experience. He has published many research articles in National and international journals. He has been awarded with the Best poster award, ICC18.

VISION

Central to our educational ethos is our desire to assist students in developing positive attitudes to personal study, high standard and expectation towards fulfilling their potential in their career and personal development. NCC's student focused approach recognizes the individual student's need and interest, and seeks to enhance their inherent skills & potential in order to encourage autonomy in life-long learning.

**NEW CAPITAL
COLLEGE | SCHOOL**
Centre of Excellence

MISSION

NCC promotes excellence through lifelong learning by providing a high quality range of learning opportunities to equip students with accredited skills that have national recognition and that are relevant to the present and future workplace.

GOAL

Providing the quality education and nurturing the holistic development of the students is the prime goal of NCC.

What Students Say About NCC !

Fly higher with strong wings and confidence Go longer with strong legs and confidence... NCC provided me with an outstanding academic environment, nurtured me well and boosted my self confidence to pursue my dreams. Thank you to all my teachers, staff and NCC family.

Dr. Devendra Acharya
Consultant, Orthopaedic Surgeon

After the SEE examination I was in a dilemma of choosing the best of the best colleges out there in my region. As per my parents suggestion and suggestion from my elder brothers and sisters of my locality, I chose NCC for my +2 studies. It was my right decision and I am happy for it. NCC is the best college with the best teachers that you will ever get not only in Chitwan but the whole country. Proud to be NCCian.

Bibika Thapaliya
Student Grade XI

New Capital College is a second home for me and a best place to engage always. First thing I want to say is that it's the best and perfect place to grow your academic life. Focusing much more on students and worrying about their future is the best part I have seen about this college. I gained a high spirit of career and education from this institution. As per the slogan center of excellence it's been able to prove it for a long time.

Subin Pandey
BHM, NATHM

I am very happy that I joined New Capital College. I learn to grab all the opportunities that come along the way. NCC is always about self discipline, growth and fun. If you want to learn and grow together join NCC.

Nitesh Raj Dharel
Student Grade XII

Environment at New Capital College encourages creativity among its students and faculty. This is one institution in Nepal where you can explore, learn and grow at the same time.

Smriti Bhandari
Student Grade XII

Enrolling at New Capital College is one of the best investments I have ever made. NCC is not just an institution, but a culture, a culture that brings out the best in you and will make you stand out in the crowd.

Aadarsha Jaishwal
Student Grade XII

"Tell me and I forget, teach me and I may remember, involve me and I learn". I am what I am today because of the motivation, guidance, workshops, seminars and other extracurricular activities I participated while I studied at New Capital College.

Birat Dawadi
BE, Pulchowk

Positive, helpful, and friendly attributes of teachers and best pedagogical approaches made the two-year-old journey great by improving the teacher-student relationship leading to memorable learning experiences. If you want to secure your better future join NCC.

Raj Pathak
CA

Hi, SEE graduates! Are you wondering about choosing one of the best colleges for +2 Science or Management, If so, NCC is the right Platform to foster your qualities and bring your inner out. NCC not only focuses academics, but also on extra curricular activities to foster your better learning experiences.

Facilities

The Strength of NCC !!

Be All rounder at NCC

Its belief in "all-round development makes efficient product" has initiated NCC to install different sporting sites within its own complex which includes both indoor and outdoor games. Basketball, cricket, pool, table-tennis are few to be mentioned here. Elocution, public speaking, group-discussion, debate and seminars held within the complex will lead the student to be a step ahead among other competitors in any aspect of their life.

High-tech Hotel Management & Cozy computer lab

Specialized training kitchens and restaurants, bakery and confectionery labs, housekeeping lab and training guest room facilities, front office lab, computer lab with latest technology, audio visual facilities etc.

Library at home and college

We are more ahead of others in closely following today's technology. NCC offers both online and traditional library with rich resources of information. Log on and access the resources from anywhere on websites or borrow books from the library.

Innovation is what matters

"Research and development lead to innovation"— that is what our students are capable of and aspiring for. Students utilize their full potential and practise their knowledge in real life scenario. Different and practical classes provide them such opportunities

Cafeteria

No need to worry! If you need to rush to the college, NCC has cafeteria within its complex where you can subside your hunger and take a rest for a moment enjoying your food

Barista & Bartending

New Capital College offers Barista & Bartending program for students, especially management students.

Experience the world through your own eyes and mind.

NCC enables the environment of self development through different events and co-curricular activities to develop better self and build the capabilities within to work in the corporate world.

Faculty and the students
working together for
knowledge generation.

NCC not only believes in quality
education, but also rewards the best
and outstanding performances.
We offer regular scholarships for the
needy and the talented students.

Teaching & Learning at NCC

Methodology of Teaching

NCC has adopted advanced teaching methodology having various techniques such as case studies, project works, field survey, seminars, presentation and group discussion. Experienced and highly qualified teachers from the university help the students to understand the complicated theories by using several methods and resources.

Students' Participation

In addition to lectures and tutorials, NCC encourages students to participate themselves in the problem solving activities like group discussion, presentation, simulations, project works and field visits. These activities help students to excel in competition of different kinds including logical arguments and to form ideas and opinions.

Lectures and Tutorials

Lectures and tutorials are the regular activities carried out in the college. These activities are essential for successful completion of the course curriculum in the stipulated time.

Scholarship and Financial Aid

NCC college has a policy to offer scholarship to the deserving students and the candidates from underprivileged sections of the society.

Rewarding Performances

Every year, NCC provides reward for the NEB Topper and internal examination toppers.
